Support Our Players, Support Your Business!

We are approaching the opening day of another great season for Milton National Little League and we need your help! We provide a grand slam experience for our players and we couldn't do it without you. Your generous contributions help us to:

- Offset the costs of equipment and facility maintenance. Keeping our players safe and proud are top priorities for our league officers.
- Keep player tuition affordable for all Milton families. We believe that all kids should have the opportunity to play the game we love regardless of financial ability.
- Provide coaching and umpire training to help them teach the game and emphasize our town's commitment to sportsmanship, fun, and fair play.

We offer multiple sponsorship packages. Regardless of the package chosen, rest assured that your contribution dollars are well-spent. Outfield signs remain up all season and are seen by thousands of visitors. Web and email exposure provides year round recognition by parents, families, other sponsors and the larger Milton community.

If a package sponsorship doesn't make sense for your business at this time, we are grateful for any level of contribution. Milton National Little League is a 501 (c)(3) organization. Your tax deductible contributions help us to continue our long-standing tradition of service to the kids of Milton.

Best regards,

Milton National Little League Board of Directors
